

Stainless Steel Furniture

Mobiliario en Acero Inoxidable · Mobilier en Acier Inoxydable

CAMILO BELLVIS S.L. also performs **metallic carpentry**, work that reflects the care and attention of our professionals and the experience of more than **50 years working with stainless steel**.

More than **100 years manufacturing and servicing** all industries in which **stainless steel** is used such as **clinical–health, pharmaceutical, food-catering and construction–decoration**.

We offer the fabrication of custom-made products in **stainless steel** with **different finishes and adapted to your needs**: decorative tables, shelves, sinks, handrails, doors, counters, specialised trolleys, working tables, wall brackets, towel rails, glazing assembling works, frames, trims, customised profiles, drains, displays, hangers, bottle racks, ultimately, we provide equipment for kitchens, hospitals and shops in general.

CUSTOMIZED MANUFACTURING

WE MAKE ANY TYPE OF FURNITURE FROM STAINLESS STEEL UNDER THE SPECIFIC INDICATIONS OF THE CUSTOMER REGARDING SIZE, THICKNESS, ETC. (UPON REQUEST).
